# THE CLUB SERIES

A strong demand from 'Customers' for Club Lounge variants has inspired the design team at Franklin Caravans to come up with the stunning "Club Series".

Franklins highly regarded build quality and a long history of designing vans are combined with layouts into carefully planned 2 new practical yet ingenious mid door & rear door versions, offering you the options to suit your lifestyle.

Sitting atop a raised chassis is a new 'Wedge shaped' body in Pearl white Aluminium with Checker plate to the side walls and Black composite rear panel. Fitted with market proven and desired appliance such as IBIS 4 air conditioner, Dometic fridge raised for practicality, washing machine and subtle finishing touches such as overhead strip lights in the Kitchen and dinette, upholstered bunkends, soft closing drawers, all enclose in a van with a high ceiling height of 6' 8". The design features highlight the open space and the club lounge that adding to the luxury when you travel.

In a club 21 & 22, you get that exclusive Franklin experience .
